Barber Guillaume Ladoucette has always enjoyed great success in his tiny village in southwestern France, catering to the tonsorial needs of Amour-sur-Belle's thirty-three inhabitants. But times have changed. His customers have grown older—and balder. Suddenly there is no longer a call for Guillaume's particular services, and he is forced to make a drastic career change. Since love and companionship are necessary commodities at any age, he becomes Amour-sur-Belle's official matchmaker and intends to unite hearts as ably as he once cut hair. But alas, Guillaume is not nearly as accomplished an agent of amour, as the disastrous results of his initial attempts amply prove, especially when it comes to arranging his own romantic future. For every reader who adored Chocolat, Julia Stuart's The Matchmaker of Périgord is a delectable, utterly enchanting, and sinfully satisfying delight.

Brimming with charm, sparkling prose and undeniably unique characters, this hilarious novel set in the Tower of London has the transportive qualities and delightful magic of the contemporary classics Chocolat and Amelie. Balthazar Jones has lived in the Tower of London with his loving wife, Hebe, and his

pet, the oldest living tortoise, for the past eight years. That's right, he is a Beefeater. It's no easy job navigating the trials and tribulations that come with living and working in the largest tourist attraction in London. The once white-hot flame of Hebe and Balthazar's love has been snuffed in the few years since their son Milo died, a death for which Balthazar blames himself. When Balthazar is tasked with setting up an elaborate menagerie within the Tower walls to house the many exotic animals gifted to the Queen by foreign dignitaries, life at the Tower gets all the more interesting. Penguins escape, a bearded pig goes missing, giraffes are stolen, the komodo dragon sends innocent people running for their lives, and canaries suffer fainting fits. As he attempts to cope with this four-legged invasion and his marriage continues to crumble, Balthazar must confront the secret he has been harbouring about his son's death, if he wants to save his marriage and his sanity. CAST OF CHARACTERS Balthazar Jones: Beefeater, overseer of the Tower's royal menagerie, father to Milo, and collector of rain Hebe Jones: Balthazar's wife who works at London Underground's Lost Property Office Mrs. Cook: Balthazar and Hebe's 180 + year-old tortoise - the oldest tortoise in the world Arthur Catnip: London Underground ticket inspector of limited height Rev. From the bestselling author of Balthazar Jones and the Tower of London Zoo comes the story of one man's quest to find a pearl, save his marriage – and track down a missing rabbit named Frank 'The Last Pearl Fisher of Scotland is a gently comic, gently tragic novel, full of lyricism, humanity and the pearl that is love. Read it at once' A. L. Kennedy Brodie McBride is having a tough time. The last expert in the ancient art of pearl fishing, he's on a quest to track down the pearl that will complete a necklace for his wife, Elspeth, convinced that the love token will save their marriage. But Scotland's rivers are running out of mussels, Elspeth is running out of patience, and their daughter, Maggie, is running wild with her moustachioed pet rabbit. And when Maggie takes matters into her own hands, determined to keep the family together, the McBrides are soon at the centre of international commotion that will change everyone's lives forever.

When Indian Princess Alexandrina is left penniless by the sudden death of her father, the Maharaja of Brindor, Queen Victoria grants her a grace-and-favor home in Hampton Court Palace. Though it is rumored to be haunted, Alexandrina and her lady's maid, Pooki, have no choice but to take the Queen up on her offer. Aside from the ghost sightings, Hampton Court doesn't seem so bad. The princess is soon befriended by three eccentric widows who invite her to a picnic with all the palace's inhabitants, for which Pooki bakes a pigeon pie. But when General-Major Bagshot dies after eating said pie, and the Coroner finds traces of arsenic in his body, Pooki becomes the #1 suspect in a murder investigation. Princess Alexandrina isn't about to let her faithful servant hang. She begins an investigation of her own, and discovers that Hampton Court isn't such a safe place to live after all. With her trademark wit and charm, Julia Stuart introduces us to an outstanding cast of lovable oddballs from the palace Maze Keeper to the unconventional Lady Beatrice (who likes to dress up as a toucan--don't ask) as she guides us through the many delightful twists and turns in this fun and quirky murder mystery. Everyone is hiding a secret of the heart, and even Alexandrina may not realize when she's caught in a maze of love.

A poignant, magical and completely original novel that you can't fail to love, for fans of Joanne Harris. Meet Balthazar Jones, Beefeater at the Tower of

London. Married to Hebe, he lives and works in the Tower, as he struggles to cope with the tragic death of his son Milo, three years ago. The Tower of London is its own magical world; a maze of ancient buildings, it is home to a weird and wonderful cast of characters - the Jones's of course, as well as Reverend Septimus Drew, the Ravenmaster, and Ruby Dore, landlady of the Tower's very own tavern, the Rack & Ruin. And, after an announcement from Buckingham Palace that the Queen's exotic animals are to be moved from London Zoo to the Tower's grounds, things are about to become a whole lot more interesting... Komodo dragons, marmosets, and even zorillas ('a highly revered yet uniquely odorous skunk-like animal from Africa') fill the Tower's menagerie - and it is Balthazar Jones's job to take care of them. Things run far from smoothly, though - missing penguins and stolen giraffes are just two of his worries! A touching, magical and entirely original debut.

Recounts the life of Josephus, a freed slave whose desire for wealth for him and his illegitimate daughter affects the whole community

Guillaume, the barber, is forced to give up his business as the advancing age of his customers means many have gone bald. He decides to set himself up as a matchmaker instead. But how can a matchmaker make love simmer when he has not yet solved the problem of his own troubled heart?

First published in 1997, Cleared for Take-Off is the seventh and final volume of Dirk Bogarde's best-selling memoirs. During his many reconnaissance missions in Europe and the Far East, the young Bogarde experienced the terror of enemy attack and the horror of its aftermath, together with the intense camaraderie and bitter humour of the battlefield. He also felt, like countless others, a feeling of utter hopelessness at the war's end, when these youthful, but hardened comrades-in-arms were dispersed to find their feet in a traumatised world. Less than a year after demob, Bogarde found himself starring in his third feature film with car, chauffeur and five-storey house in Chester Row. He had somehow 'arrived' in the movies.

An English spy saves the life of a woman with a deadly secret in this gripping tale of espionage from the author of the Miss Silver Mysteries. British operative Stephen Enderby is in Russia on a mission of the utmost secrecy when he spies a woman in the freezing cold, standing on the parapet of a bridge. Her name, she tells him, is Elizabeth Radin. Her husband, Nicholas, was recently executed for being a counterrevolutionary. Forbidden to leave the country, she thought the only way out was to take her own life. At the risk of blowing his cover, Stephen convinces the beautiful English widow to come with him to a safe house. His mission compromised, his only hope is to continue his impersonation of a Russian peasant, with Elizabeth posing as his new bride. But she hasn't told him everything. Before Nicholas died, he revealed the formula for a groundbreaking aeronautical invention that Elizabeth committed to memory. The Russians want the formula—and will stop at nothing to get it. A fast-moving novel of political intrigue featuring an impassioned socialist revolutionary named Irina, Red Stefan paints a vivid portrait of twentieth-century Russia.
