Francis Wayne Sinatra was born January 10, 1944, in Jersey City, New Jersey, into the household of one of the most popular singers in the world, Frank Sinatra. The younger Sinatra was technically not a "junior" (his father's middle name was Albert) but was nonetheless known as Frank Jr. throughout his life.

An insider's account of the downfall of the New York Mob profiles organized crime at the height of its influence while recounting the author's participation in several lucrative heists, relating his decision to become a federal informant and the ways in which drug, greed and breakdowns in family values were ultimately responsible for the Mob's demise. Reprint.

The former valet and confidant of Frank Sinatra reveals never-before-told exploits, friendships, political connections, and love affairs, citing Sinatra's relationships with Sam Giancana, Ava Gardner, and others as he witnessed them.

A candid and eye-opening inside look at the final decades of Sinatra's life told by his longtime manager and friend, Eliot Weisman. By the time Weisman met Sinatra in 1976, he was already the Voice, a man who held sway over popular music and pop culture for forty years, who had risen to the greatest heights of fame and plumbed the depths of failure, all the while surviving with the trademark swagger that women pined for and men wanted

## Read Book The Sinatra Club My Life Inside The New York Mafia

to emulate. Passionate and generous on his best days, sullen and unpredictable on his worst, Sinatra invited Weisman into his inner circle, an honor that the budding celebrity manager never took for granted. Even when he was caught up in a legal net designed to snare Sinatra, Weisman went to prison rather than being coerced into telling prosecutors what they wanted to hear. With Weisman's help, Sinatra orchestrated in his final decades some of the most memorable moments of his career. There was the Duets album, which was Sinatra's top seller, the massive tours, such as Together Again, which featured a short-lived reunion of the Rat Pack--until Dean Martin, having little interest in reliving the glory days, couldn't handle it anymore--and the Ultimate Event Tour, which brought Liza Minelli and Sammy Davis Jr. on board and refreshed the much-needed lining of both their pocketbooks. Weisman also worked with many other acts, including Steve Lawrence and Eydie Gorme, and an ungrateful Don Rickles, whom Weisman helped get out from under the mob's thumb. Over their years together, Weisman became a confidant to the man who trusted few, and he came to know Sinatra's world intimately: his wife, Barbara, who socialized with princesses and presidents and tried to close Sinatra off from his rough and tough friends such as Jilly Rizzo; Nancy Jr., who was closest to her dad; Tina, who aggressively battled for her and her siblings' rights to the Sinatra

## Read Book The Sinatra Club My Life Inside The New York Mafia

legacy and was most like her father; and Frank Jr., the child with the most fraught relationship with the legendary entertainer. Ultimately Weisman, who had become the executor of Sinatra's estate, was left alone to navigate the infighting and hatred between those born to the name and the wife who acquired it, when a mystery woman showed up and threatened to throw the family's future into jeopardy. Laden with surprising, moving, and revealing stories, *The Way It Was* also shows a side of Sinatra few knew. As a lion in winter, he was struggling with the challenges that come with old age, as well as memory loss, depression, and antidepressants. Weisman was by his side through it all, witness to a man who had towering confidence, staggering fearlessness, and a rarely seen vulnerability that became more apparent as his final days approached.

Hollywood Godfather is Gianni Russo's over-the-top memoir of a real-life mobster-turned-actor who helped make *The Godfather* a reality, and his story of life on the edge between danger and glamour. Gianni Russo was a handsome 25-year-old mobster with no acting experience when he walked onto the set of *The Godfather* and entered Hollywood history. He played Carlo Rizzi, the husband of Connie Corleone, who set her brother Sonny—played by James Caan—up for a hit. Russo didn't have to act—he knew the mob inside and out: from his childhood in Little Italy, where Mafia legend

# Read Book The Sinatra Club My Life Inside The New York Mafia

Frank Costello took him under his wing, to acting as a messenger for New Orleans mob boss Carlos Marcello during the Kennedy assassination, to having to go on the lam after shooting and killing a member of the Colombian drug cartel in his Vegas club. Along the way, Russo befriended Frank Sinatra, who became his son's godfather, and Marlon Brando, who mentored his career as an actor after trying to get Francis Ford Coppola to fire him from *The Godfather*. Russo had passionate affairs with Marilyn Monroe, Liza Minelli, and scores of other celebrities. He went on to become a producer and starred in *The Godfather: Parts I and II*, *Seabiscuit*, *Any Given Sunday* and *Rush Hour 2*, among many other films. *Hollywood Godfather* is a no-holds-barred account of a life filled with violence, glamour, sex—and fun.

"Millions of television and movie viewers have shown that Americans continue to be fascinated by the remarkable—and often sordid—world of the Mafia. This book takes you beyond fiction and tabloid accounts and relates the true-life accounts of all the major players in the American Mafia. From Al Capone to John Gotti, you will come away with a better understanding of America's most notorious crime families. This book features colorful information on: The Sicilian Mafia The "First Family" of the American Mafia The "real" Untouchables The mob and politicians The five New York families Packed full of up-

# Read Book The Sinatra Club My Life Inside The New York Mafia

to-date gangster information, this guide will satisfy even the most ardent true-crime enthusiasts."

In this unique homage to an American icon, journalist and award-winning author Pete Hamill evokes the essence of Sinatra--examining his art and his legend from the inside, as only a friend of many years could do. Shaped by Prohibition, the Depression, and war, Francis Albert Sinatra became the troubadour of urban loneliness. With his songs, he enabled millions of others to tell their own stories, providing an entire generation with a sense of tradition and pride belonging distinctly to them.

Surveys the career, hit records, films, and personal life of the popular singer and actor.

They weren't the original bad boys of stage and screen, but they were the most famous: Frank Sinatra, Dean Martin, Sammy Davis Jr., Joey Bishop, Peter Lawford and so many hangers-on and wannabes, male and female. Revisit the 1960s in this reissue of a classic LIFE special edition, the Rat Pack is in town. Among the highlights: A new introduction, commemorating what would have been Dean Martin's 100th birthday. Inside the friendship between Sinatra and John F. Kennedy Jr. The birth of Vegas and how Sin City became the sensation it is today. Rare and intimate photos

NEW YORK TIMES BESTSELLER • Gloria Steinem—writer, activist, organizer, and inspiring leader—tells a story she has never told before, a candid account of her life as a traveler, a listener, and a catalyst for change. ONE OF O: THE OPRAH MAGAZINE'S TEN FAVORITE BOOKS OF THE YEAR | NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Harper's Bazaar • St. Louis Post-Dispatch • Publishers Weekly

When people ask me why I still have hope and energy after all these years, I always say: Because I travel. Taking to the road—by which I mean letting the road take you—changed who I thought I was. The road is messy in the way that real life is messy. It leads us out of denial and into reality, out of theory and into practice, out of caution and into action, out of statistics and into stories—in short, out of our heads and into our hearts. Gloria Steinem had an itinerant childhood. When she was a young girl, her father would pack the family in the car every fall and drive across country searching for adventure and trying to make a living. The seeds were planted: Gloria realized that growing up didn't have to mean settling down. And so began a lifetime of travel, of activism and leadership, of listening to people whose voices and ideas would inspire change and revolution. My Life on the Road is the moving, funny, and profound story of Gloria's

## Read Book The Sinatra Club My Life Inside The New York Mafia

growth and also the growth of a revolutionary movement for equality—and the story of how surprising encounters on the road shaped both. From her first experience of social activism among women in India to her work as a journalist in the 1960s; from the whirlwind of political campaigns to the founding of Ms. magazine; from the historic 1977 National Women's Conference to her travels through Indian Country—a lifetime spent on the road allowed Gloria to listen and connect deeply with people, to understand that context is everything, and to become part of a movement that would change the world. In prose that is revealing and rich, Gloria reminds us that living in an open, observant, and “on the road” state of mind can make a difference in how we learn, what we do, and how we understand each other. Praise for My Life on the Road “This legendary feminist makes a compelling case for traveling as listening: a way of letting strangers’ stories flow, as she puts it, ‘out of our heads and into our hearts.’”—People “Like Steinem herself, [My Life on the Road] is thoughtful and astonishingly humble. It is also filled with a sense of the momentous while offering deeply personal insights into what shaped her.”—O: The Oprah Magazine “A lyrical meditation on restlessness and the quest for equity . . . Part of the appeal of My Life is how Steinem, with evocative, melodic prose, conveys the air of discovery and wonder she felt during so many of her journeys. . . .

# Read Book The Sinatra Club My Life Inside The New York Mafia

The lessons imparted in *Life on the Road* offer more than a reminiscence. They are a beacon of hope for the future.”—USA Today “A warmly companionable look back at nearly five decades as itinerant feminist organizer and standard-bearer. If you’ve ever wondered what it might be like to sit down with Ms. Steinem for a casual dinner, this disarmingly intimate book gives a pretty good idea, mixing hard-won pragmatic lessons with more inspirational insights.”—The New York Times “Steinem rocks. *My Life on the Road* abounds with fresh insights and is as populist as can be.”—The Boston Globe

Now in paperback, the national bestselling riches-to-rags true story of an advertising executive who had it all, then lost it all—and was finally redeemed by his new job, and his twenty-eight-year-old boss, at Starbucks. In his fifties, Michael Gates Gill had it all: a mansion in the suburbs, a wife and loving children, a six-figure salary, and an Ivy League education. But in a few short years, he lost his job, got divorced, and was diagnosed with a brain tumor. With no money or health insurance, he was forced to get a job at Starbucks. Having gone from power lunches to scrubbing toilets, from being served to serving, Michael was a true fish out of water. But fate brings an unexpected teacher into his life who opens his eyes to what living well really looks like. The two seem to have nothing in common: She is a

## Read Book The Sinatra Club My Life Inside The New York Mafia

young African American, the daughter of a drug addict; he is used to being the boss but reports to her now. For the first time in his life he experiences being a member of a minority trying hard to survive in a challenging new job. He learns the value of hard work and humility, as well as what it truly means to respect another person. Behind the scenes at one of America's most intriguing businesses, an inspiring friendship is born, a family begins to heal, and, thanks to his unlikely mentor, Michael Gill at last experiences a sense of self-worth and happiness he has never known before. Watch a QuickTime trailer for this book.
