Containing 20 laser cut stencils from the world's leading street artists, this book is a must for artists, illustrators, and anyone who loves street art. The stencils are printed on perforated card stock so that they can be removed and used. Each artist has created an in-situ photograph to accompany their stencil, showing how they would use it. The book includes an interview with the founder of stencil art, the Paris-based artist Blek Le Rat.

This fresh collection features over 500 original black-and-white graphic images in four categories: • Retro: '60s, '70s, and '80s motifs with an urban flavor • Pop: references to popular culture and iconic works by Warhol and Lichtenstein • Mod: mid-century images related to fashion, furniture, and architecture • Tech: illustrations of computers, radios, cameras, and other technological devices

readers step-by-step through the process while photographs provide ample inspiration. Best of all, these stencils can be used over and over again. Simply clean, dry, and store them in the pocket glued at back!

This is the first book to look at an increasingly popular form of street art: the paste-up or 'wheatie'. Many street artists don't graffiti or stencil any more but use pre-prepared paper images that can be taken down, thereby avoiding a vandalism charge. The book shows the work of 20 artists, with photographs of their art in situ, a brief profile, and a fold-out paste-up. The fold-out pages are perforated so they can easily be removed. Some of the paste-ups are laser cut with attaching tags so they can be popped out. There's also an introductory interview with cult street artists Sten & Lex.
