Desperate to escape the despair, hopelessness, and hardship of the migrant-workers' existence, Estrella, a young Mexican-American migrant worker, fights back against a system that will do almost anything to keep her down.

Winner of the John Dos Passos Prize for Literature "Stunning." Newsweek With the same audacity with which John Steinbeck wrote about migrant worker conditions in *The Grapes of Wrath* and T.C. Boyle in *The Tortilla Curtain*, Viramontes presents a moving and powerful vision of the lives of the men, women, and children who endure a second-class existence and labor under dangerous conditions in California's fields. At the center of this powerful tale is Estrella, a girl about to cross the perilous border to womanhood. What she knows of life comes from her mother, who has survived abandonment by her husband in a land that treats her as if she were invisible, even though she and her children pick the crops of the farms that feed its people. But within Estrella, seeds of growth and change are stirring. And in the arms of Alejo, they burst into a full, fierce flower as she tastes the joy and pain of first love. Pushed to the margins of society, she learns to fight back and is able to help the young farmworker she loves when his ambitions and very life are threatened in a harvest of death. Infused with the beauty of the California landscape and shifting splendors of the passing seasons juxtaposed with the bleakness of poverty, this vividly imagined novel is worthy of the people it celebrates and whose story it tells so magnificently. The simple lyrical beauty of Viramontes' prose, her haunting use of image and metaphor, and the urgency of her themes all announce Under the Feet of Jesus as a landmark work of American fiction.

The idiosyncratic master Chester Brown continues his thoughts on sex work The iconoclastic and bestselling cartoonist of *Paying for It: A comic-strip memoir* about being a john returns with a polemical interpretation of the Bible that will be one of the most controversial and talked-about graphic novels of 2016. *Mary Wept over the Feet of Jesus* is the retelling in comics form of nine biblical stories that present Chester Brown's fascinating and startling thesis about biblical representations of prostitution. Brown weaves a connecting line between Bathsheba, Ruth, Rahab, Tamar, Mary of Bethany, and the Virgin Mother and reassesses the Christian moral code by examining the cultural implications of the Bible's representations of sex work. *Mary Wept over the Feet of Jesus* is a fitting follow-up to Brown's sui generis graphic memoir *Paying for It*, which was reviewed twice in the *New York Times* and hailed by sex workers for Brown's advocacy for the decriminalization and normalization of prostitution. Brown approaches the Bible as he did the life of Louis Riel, making these stories compellingly readable and utterly pertinent to a modern audience. In classic Chester Brown fashion, he provides extensive handwritten endnotes that delve into the biblical lore that informs *Mary Wept Over the Feet of Jesus*.

Consistent morning quiet times eluded me for years into my Christian journey through life. I would be consistent for a month, and then I would neglect it for a few weeks. This pattern continued until a friend of mine spoke a picture into my heart. She told me that from the moment she opens her eyes in the morning, she pictures Jesus on her couch waiting for her. When she told me that, it occurred to me how many times I had waved goodbye to Jesus without as much as a hello. At that moment, I went on a journey to find a quiet time format that would start my day right and allow the Word to bring joy to my heart. At the Feet of Jesus is the format I have been using for my quiet time for years, and I am thrilled to share it with you. This book works alone as a resource between you and your Savior, as a small group discussion, or in conjunction with the accompanying YouTube channel by the same name, *The Feet of Jesus with Heather Fowler*. This is the second book in a long beautiful journey through the Bible. So grab a cup of coffee, and sit next to Jesus on the couch. He is excited to open to the book of Acts, and share His Word with you.

"Someone to love me." That's all she wanted--all anyone really wants. We are all addicts, "sinaholics," says the author, trying to fill with various addictions a gaping void in our hearts designed for God. Take Mary Magdalene. She was a prosperous prostitute, but her life was one sad, sordid story--until she met Someone who loved her with a pure, unconditional love. Ever afterward the shame of her past was eclipsed by her absolute devotion to the One who set her free.

Much-Afraid had been in the service of the Chief Shepherd, whose great flocks were pastured down in the Valley of Humiliation. She lived with her friends and fellow workers Mercy and Peace in a tranquil little white cottage in the village of Much-Trembling. She loved her work and desired intensely to please the Chief Shepherd, but happy as she was in most ways, she was conscious of several things which hindered her in her work and caused her much secret distress and shame. Here is the allegorical tale of Much-Afraid, an every-woman searching for guidance from God to lead her to a higher place.

Lessons straight from the throne room of Heaven that led to deliverance and breakthrough! If you have ever struggled with emotional, generational, or financial setbacks and disappointments, it's important as Daughters of the King that we take time out of our busyness and rest at His feet. The only place we can hear clear instructions from God is when we slow down, sit down, and glean from the Lover of our Soul. Several years ago, Brandi Gant heard a message taught by her co-pastor. This message changed the way she prayed, responded, and listened to the voice of God. She learned that you only experience the good part of your relationship with Jesus by sitting at His feet and spending quality time in His presence. "Lessons at the Feet of Jesus" is one woman's journey of how she rested and sat at Jesus' feet for deliverance, healing, and restoration. "And she had a sister named Mary, who seated herself at the Lord's feet and was listening to His teaching." -Luke 10:39 AMP "There is need of only one or but a few things, Mary has chosen the good portion [that which is to her advantage], which shall not be taken away from her." -Luke 10:42
