This book contains proven techniques and philosophies on how to become enlightened through the opening or waking of your third eye. The third eye is also known as the Anja chakra, the sixth chakra, the seat of the soul, and many other names. Most of us live day to day without knowing the amazing powers that come along with opening this eye. This book explores the mysterious third eye. The third eye is also known as the sixth chakra of the seven main chakras. It is the energy point for developing intuition, inner powers, clear decision making, balancing the inner and outer worlds, and the evolution of one self. By awakening the third eye one will tap into these powers as well as psychic abilities. These are true abilities to see beyond the constraints of this three dimensional world that we live in. You only must be open to this possibility as well as the abilities you will acquire to receive them. In this book you will learn: \* The history of the third eye also known as the sixth chakra \* How the chakra relates to both to spirituality and science \* The psychic abilities that come with an open chakra \* Techniques for opening the third eye including meditation, crystals, and oils \* The effects and challenges of awakening the third eye \* How to maintain a higher vibrational life to keep this eye open

This book gives bridge engineers clear guidance on design and includes 88 data sheets of design information, charts and check lists.

This report explores likely future changes in family and household structures in OECD countries; identifies the main forces shaping the family landscape to 2030; discusses the longer-term challenges; and suggests policy options for managing the challenges.
