A young child learns what to expect when his new sibling is born and comes into his life. On board pages.

When Max learns that his mommy is going to have a baby, he talks and sings to his unborn sibling but he can't seem to make the baby come out sooner.

Amy Kuebelbeck shares how she and her husband made the decision to forgo extreme measures to save her son Gabriel after learning at five months pregnant he suffered from hypoplastic left heart syndrome and discusses how they prepared for his inevitable death after being born.

Visiting a neonatal intensive care unit can be an overwhelming experience, especially for a young child during sibling visitation. The sibling will see monitoring equipment, breathing machines, intravenous pumps and incubators. They will hear alarms ringing and sometimes babies crying. Preparing children for the NICU environment is crucial so they are not as fearful and can focus on bonding with their new sibling.

The Rabbit family is filled with excitement - because soon a new baby will arrive! And they can't wait to meet it. The nursery has been decorated, toys and gifts have been bought, and finally the big day arrives . . . A touching story about the special bond between parents and their children. Read by Claire Skinner.

Emma's baby brother will be born when the cherries on the tree in the garden are red and ready to eat. So Emma watches the tree...

Three women. Three pregnancies. A friendship that will last forever. Meet Louise, 38, Toni, 26, and Gemma, 18. They are all expecting babies in September. One of them conceived in a hurry because she was running out of time. One of them fell pregnant to keep a man. One got knocked up by mistake after a one-night-stand. But none of them realised what they would come up against as they face nine long months of pregnancy, and the reactions of friends, family and colleagues. Meeting through an online forum, they form an unlikely but powerful bond. When it seems that all they have is each other, their lives will be thrown into turmoil, as a blast from the past threatens to destroy everything. Funny, sexy and utterly compelling, Babies in Waiting is a heart-warming novel about motherhood, friendship and finding love at the most surprising time in your life.

Provides color illustrations, with no text, of a family welcoming and caring for a new baby. On board pages.

Told through the voice of the excited big sister, an informative look at how babies come about traces the embryo's development, explains conception, and shows the process of her mother going into labor.

A young child learns to adjust to the changes in his life after the arrival of his new sibling. On board pages.
