Wayne Grudem is Professor of Biblical and Systematic Theology at Trinity Evangelical Divinity School, USA. He is the author of several books, including The First Epistle of Peter (Tyndale New Testament Commentary series). He has also edited and contributed to Are Miraculous Gifts for Today?

Systematic Theology - Wayne Grudem | The Good Book Company

Systematic Theology by Wayne Grudem stands squarely in the stream of broadly Reformed tradition on the main issues of theology, including the doctrine of Scripture, the doctrine of God, and the doctrine of salvation. Perhaps the strongest feature of the book is its accessibility. Grudem does not water down the meat of theology.

Systematic Theology: Second Edition by Wayne Grudem | Eden

He has also served as the president of the Council on Biblical Manhood and Womanhood and president of the Evangelical Theological Society.

Systematic Theology 1 | Online Course

In this extract from the preface to the second edition of his well known 'Systematic Theology', Wayne Grudem shares what's changed, and what hasn't, in this modern classic. I am grateful to God that he has allowed the first edition of this book to have such widespread use.

Systematic Theology: Why a Second Edition?

I used Dr. Grudem’s Systematic Theology textbook in Seminary and this podcast was a wonderful find. I loved going back through the book chapter by chapter and then listening to the podcast teaching. It really aided the process of understanding and remembering the book and what I learned in seminary.

Systematic Theology: Why a Second Edition? - The ...

The Christian church has a long tradition of systematic theology, that is, studying theology and doctrine organized around fairly standard categories such as the Word of God, redemption, and Jesus Christ. This introduction to systematic theology has several distinctive features: - A strong emphasis on the scriptural basis for each doctrine and teaching - Clear writing, with technical terms kept to a minimum - A contemporary approach, treating subjects of special interest to the church today - A friendly tone, appealing to the emotions and the spirit as well as the intellect - Frequent application to life - Resources for worship with each chapter - Bibliographies with each chapter that cross-reference subjects to a wide range of other systematic theologies.

This workbook accompanies Wayne Grudem's highly regarded Systematic Theology. Following the textbook's structure, it features review material and exercises for every chapter, and all major areas of Christian doctrine are covered, including: The Word of God God Humanity Christ and the Holy Spirit The Application of Redemption The Church The Future The workbook further maintains the clear writing, friendly tone, and frequent applications to life found in the textbook. Students will benefit from this hands-on engagement with the important teachings in Systematic Theology.

The most widely-used text of the last 25 years in its discipline, Systematic Theology by Wayne Grudem has been thoroughly revised and expanded (all 57 chapters) for the first time while retaining the features that have made it the standard in its field: clear explanations, an emphasis on each doctrine's scriptural basis, and practical applications to daily life. With several hundred pages of new content, this new edition now includes the following distinctive features. Updated, fuller analysis of several recent controversies within evangelicalism, including the eternal relationship between the Father and the Son in the Trinity, the question of God's atemporal eternity, the role of women in the church, "seeker-sensitive" churches, miraculous gifts of the Holy Spirit, and contemporary worship music. New, thoughtful critiques of open theism, the "new perspective on Paul," Molinism (or "middle knowledge"), "Free Grace" theology, and the preterist view of Christ's second coming Completely revised, stronger chapter on the clarity of Scripture Completely revised, stronger chapter on creation and evolution (including a longer critique of theistic evolution) New discussion of how biblical inerrancy applies to some specific "problem verses" in the Gospels Additional material respectfully explaining evangelical Protestant differences with Roman Catholicism, Protestant liberalism, and Mormonism. Completely updated bibliographies All Scripture quotations updated from RSV to ESV An explanation of why monogenes in John 3:16 and elsewhere should be translated as "only begotten" rather than merely "only" (this is a change from the first edition) A contemporary worship song added at the end of each chapter (while retaining the traditional hymns as well) Numerous other updates and corrections Part of the brilliance of Systematic Theology over the years has been its simplicity and ease of use. Each chapter follows the same structure. First, there is discussion of the doctrine being considered, such as justification or the Trinity or the deity of Christ. An explanation of where that doctrine is supported in the Bible and possible objections follow. Personal application and key terms to know for personal growth are then provided. Chapters also include a scripture memory passage, references to other literature on the topic, and suggested hymns and worship songs. If you are someone who thinks theology is hard to understand or boring, then this new edition of Systematic Theology will likely change your mind.

Not every Christian should go to seminary, but there are certain teachings of the Bible that every Christian must know. Theology is important because what we believe affects how we live. Whether you're a relatively new believer in Jesus or a mature Christian looking for a better understanding of basics of the faith, Christian Beliefs is for you. This readable guide to twenty basic Christian beliefs is a condensation of Wayne Grudem's award-winning book Systematic Theology, prized by pastors and teachers everywhere. He and his son, Elliot, have boiled down the essentials of Christian theology for the layperson and made them both clear and applicable to life. You will learn about the Bible, the characteristics of God, what it means that we are created in the image of God, what God has done for us in Christ, the purpose of the church, and much more. Each chapter includes questions for personal review or group discussion. "These truly are twenty basic beliefs that every Christian should know. Wayne Grudem is a master teacher with the ability to explain profound truths in simple language. He is a man of deep conviction and theological passion—and those who read this book will be both educated and encouraged in the faith." --R. Albert Mohler Jr., President, The Southern Baptist Theological Seminary, Louisville, Kentucky "Based on Systematic Theology, this summary will certainly help beginners with Christ to get the hang of their faith." --J. I. Packer, Regent College, Vancouver, British Columbia "As Wayne Grudem's Systematic Theology contracts into a compact book, I do not lose my enthusiasm for the truth he loves and the clarity of his words." --John Piper, Bethlehem Baptist Church, Minneapolis, Minnesota

How do we know the Bible is God’s Word? What is sin and where did it come from? How is Jesus fully God and fully man? What are spiritual gifts? When and how will Christ return? If you’ve asked questions like these, then "systematic theology" is no abstract term. It’s an approach to finding answers every Christian needs to know. Bible Doctrine takes a highly commended upper-level textbook on systematic theology and makes it accessible to the average reader. Abridged from Wayne Grudem’s award-winning Systematic Theology, Bible Doctrine covers the same essentials of the faith, giving you a firm grasp on seven key topics: The Doctrine of the Word of God The Doctrine of God The Doctrine of Man The Doctrine of Christ The Doctrine of the Application of Redemption The Doctrine of the Church The Doctrine of the Future Like Systematic Theology, this book is marked by its clarity, its strong scriptural emphasis, its thoroughness in scope and detail, and its treatment of such timely topics as spiritual warfare and the gifts of the Spirit. But you don’t need to have had several years of Bible school to reap the full benefits of Bible Doctrine. It’s easy to understand—and it’s packed with solid, biblical answers to your most important questions.

What does the Bible teach about how to live in today’s world? Best-selling author and professor Wayne Grudem distills over forty years of teaching experience into a single volume aimed at helping readers apply a biblical worldview to difficult ethical issues, including wealth and poverty, marriage and divorce, birth control, abortion, euthanasia, homosexuality, business practices, environmental stewardship, telling the truth, knowing God’s will, understanding Old Testament laws, and more.

Systematic Theology Video Lectures—​a companion to the popular textbook, Systematic Theology, by Wayne Grudem—​provides 57 easy-to-follow lessons, each corresponding to a chapter in the book, introducing students to the basics of Christian doctrine. The lectures feature a strong emphasis on the Scripture, clear teaching, and a contemporary approach.

Written not by a journalist or politician but rather by a theology professor with a Ph.D. in New Testament studies, Voting as a Christian: The Social Issues begins with the assumption that God intended the Bible to give guidance to every area of life—including how governments should function. Derived from author Wayne Grudem’s magisterial Politics According to the Bible, this book highlights those social issues that have dominated political debate recently. Throughout, author Wayne Grudem supports political positions that would be called more “conservative” than “liberal.” However, “it is important to understand that I see these positions as flowing out of the Bible’s teachings rather than positions I hold prior to, or independently of, those biblical teachings,” he writes. “My primary purpose in the book is not to be liberally or conservative, or Democrat or Republican, but to explain a biblical worldview and a biblical perspective on issues of politics, law, and government.” Concise yet carefully argued, this book is a must-read for any Christian concerned about current debates over social issues such as abortion, education, homosexual marriage, pornography, religious freedom, and others. Not every reader will agree with the book’s conclusions. But by grounding his analysis deeply on Scripture, Grudem has equipped Christians to better understand and respond to some of today’s key political debates wisely and in a manner consistent with their primary citizenship as members and ambassadors of the kingdom of God.

This workbook accompanies Wayne Grudem's bestselling Systematic Theology and features student-friendly review material and exercises.

With clear writing and a contemporary approach, emphasizing how each doctrine should be understood and applied by present-day Christians, Making Sense of the Church explores the community of all true believers for all time—the church.Topics include but are not limited to the invisible church—the church as God sees it; the visible church—the church as Christians on earth see it; the purity of church—the degree of freedom from wrong doctrine and conduct; the primary purpose of the church—ministry to God, believers, and the world; the power of the church—its God-given authority to carry on spiritual warfare, proclaim the gospel, and exercise church discipline; and spiritual gifts—abilities empowered by the Holy Spirit and used in any ministry of the church.Written in a friendly tone, appealing to the emotions and the spirit as well as the intellect, Making Sense of the Church helps readers overcome wrong ideas, make better decisions on new questions, and grow as Christians.
