Wild at Heart is a crazy ride through a crazy land filled with all manner of crazy people. The film can be many things: comedy, romance, adventure, thriller, horror, etc.

John Eldredge revises and updates his best-selling, renowned Christian classic. God designed men to be dangerous, says John Eldredge. Simply look at the dreams and desires written in the heart of every boy: To be a hero, to be a warrior, to live a life of adventure and risk. Sadly, most men abandon those dreams and desires-aided by a Christianity that feels like nothing more than pressure to be a "nice guy." It is no wonder that many men avoid church, and those who go are often passive and bored to death. In this provocative book, Eldredge gives women a look inside the true heart of a man and gives men permission to be what God designed them to be-dangerous, passionate, alive, and free.

In this six-session Bible study, bestselling author John Eldredge invites men to discover how God can heal their wounded hearts, recover their masculine heart, and put a spirit of adventure back in their lives.

Every man was once a boy. And every little has dreams, big dreams, dreams of being the hero, of beating the bad guys, of doing daring feats and rescuing the damsel in distress. Every little girl has dreams, too: of being rescued by her prince and swept up into a great adventure, knowing that she is the beauty. But what happens to those dreams when we grow up? Walk into most churches, have a look around, and ask yourself: What is a Christian man? Without listening to what is said, look at what you find there. Most Christian men are . . . bored. John Eldredge revises and updates his best-selling, renowned Christian classic, *Wild at Heart*, and in it invites men to recover their masculine heart, defined in the image of a passionate God. And he invites women to discover the secret of a man's soul and to delight in the strength and wildness men were created to offer. John Eldredge is the director of *Ransomed Heart*.

Embark on the life-changing adventure that is *Wild at Heart*. Existing fans and those new to John Eldredge's *Wild at Heart* lessons will benefit from his new *A Band of Brothers* Small Group DVD series. This Participant's Guide follows the eight 30-minute episodes, providing additional information and discussion questions designed to help small groups grow spiritually and bond with one another. Together, you will discover how God can heal your hearts and learn how to become the men God wants you to be. Formatted for easy group study, Eldredge's inspiring *Wild at Heart: A Band of Brothers* Small Group DVD Series has been the catalyst groups use to help them discover how God defines authentic masculinity.

Presents a challenge to Christian men to look at the secret longings of their hearts and recover their masculinity.

"Calla Fletcher returns to Toronto a different person, struggling to find direction and still very much in love with the rugged bush pilot she left behind. When Jonah arrives on her doorstep with a proposition she can't dismiss, she takes the leap and rushes back to Alaska to begin their exciting future together. But Calla soon learns that even the best intentions can lead to broken promises, and that compromise comes with a hefty price--a log cabin in interior rural Alaska that feels as isolating as the western tundra."--Page 4 of cover.

"Wild horses thrived for thousands of generations in the mountains, forests, and deserts of the American West. Their family herds existed in environmental harmony until man chose to "manage" them. Since then, every day more of America's wild horses disappear. But courageous people are trying very hard to reverse this, most notably, young people who feel a kinship with these often misunderstood creatures."--

The bestselling book that has revolutionized the lives of millions of men, revised and expanded. John Eldredge revises and updates his best-selling, renowned Christian classic, *Wild at Heart*, and in it invites men to: - Recover their masculine heart. - See themselves in the image of a passionate god. - Delight in the strength and wilderness men were created to offer. In this provocative book, Eldredge gives a look inside the true heart of a man and gives men permission to be what God designed them to be—dangerous, passionate, alive, and free

From the internationally bestselling author of *The Simple Wild* comes the continuation of a woman's journey to the Alaskan wild and a life she never imagined for herself. Calla Fletcher returns to Toronto a different person, struggling to find direction and still very much in love with the rugged bush pilot she left behind. So, when Jonah arrives on her doorstep with a proposition she can't dismiss, she takes the leap and rushes back to Alaska to begin their exciting future together. But Calla soon learns that even the best of intentions don't always lead to the intended outcomes, and that compromise comes with a hefty price tag—and a log cabin in rural Alaska that feels as isolating as the Western tundra. With Jonah gone more than he's home, one neighbor who insists on transforming her into a true Alaskan, and another who seems more likely to shoot her than come to her aid, Calla grapples with forging her own path. In a world where with roaming wildlife and harsh environmental challenges, just stepping foot outside her front door becomes daunting some days. Leaving her to wonder if perhaps she is doomed to follow in her mother's fleeing footsteps after all.
