Adam Stewart is every girl's fantasy - captain of the football team, smart, funny, hot. I've had a crush on him for years but he never noticed me. Until now. Dating Adam is a dream come true. I should be happy about it, but it's hard because my best friend Cruz is acting strange. Almost like he's jealous. But that can't be. Can it? Cruz and I have been inseparable since we were kids. He's always been like a brother to me. But lately things have changed. He's different, and I'm starting to see him in a new light. Our relationship is evolving in a way I never thought possible. I don't want to lose him, but am I willing to give up Adam for him?

Sent to live with her strict Lebanese father in Texas upon the outbreak of the Gulf War, Arab-American teen Jasira endures racial taunts from her new classmates and enters into a dangerously exploitative relationship with a bigoted Army reservist. Reissue. 75,000 first printing. (A Warner Independent film, directed by Alan Ball, releasing August 2008, starring Aaron Eckhart, Toni Collette, & Maria Bello) (General Fiction)

Complete text of *The children*, including corrected and altered printed versions of earlier essays adopted for this book, published by John Lane in 1897.

Many people investigating the operation of large-scale environmentalist organizations see signs of power, knowledge and governance in their policies and projects. This collection indicates that such an analysis appears to be justified from one perspective, but not from another. The chapters in this collection show that the critics, concerned with the power of these organizations to impose their policies in different parts of the world, appear justified when we look at environmentalist visions and at organizational policies and programs. However, they are much less justified when we look at the practical operation of such organizations and their ability to generate and carry out projects intended to reshape the world.

The Windows 10 May 2019 Update adds a host of new and improved features to Microsoft's flagship operating system—and this jargon-free guide helps you get the most out of every component. This in-depth Missing Manual covers the entire system and introduces you to the latest features in the Windows Professional, Enterprise, Education, and Home editions. You'll learn how to take advantage of improvements to the Game Bar, Edge browser, Windows Online, smartphone features, and a lot more. Written by David Pogue—tech critic for Yahoo Finance and former columnist for The New York Times—this updated edition illuminates its subject with technical insight, plenty of wit, and hardnosed objectivity.
